
THE 2020 CENSUS IS HERE!
Click [HERE](#) to get counted today.

Columbia Housing is committed to ensuring a complete count of everyone in our community during the upcoming 2020 Census.

Census Day is April 1, 2020 and there will be four methods of response: online, paper, telephone and in-person enumerator visit.

You should have received a mail notification in mid-March from the US Census Bureau to complete the Census online - and most people are planning to take it as soon as they are notified so they won't forget!

5 REASONS WHY YOU SHOULD PARTICIPATE IN THE 2020 CENSUS:

- 1 MORE AFFORDABLE HOUSING COUNTS**
Counting everyone will help demonstrate our housing shortage and win funding to fix it.
- 2 STRONGER SCHOOLS COUNT**
A full count will help fund our schools and improve programs for our students.
- 3 SAFER NEIGHBORHOODS COUNT**
An accurate count will help first responders plan for emergencies and secure the funding to face them.
- 4 BETTER HEALTH CARE COUNTS**
A complete count will help improve our health policies and fund the health care services we need.
- 5** When we all **GET COUNTED**, we stand up for our values and we stand firm against anyone who would try to silence our voices.
Our friends and neighbors are planning to get counted. Will you join them?
